

Kandi Land Farm

🐮 LEARN 🐔 PLAY 🐄 GROW 🦋

The mission statement for Kandi Land Farm is to educate the public about agriculture in a fun environment while giving 10% back to the community.

The Farm is located at 3843 15th Ave SW Willmar, near Co Rd 5 and Hwy 40. Kandi Land Farm will be open weekend afternoons, MEA, and special weekdays (such as school field trips) from mid-September through October.

Kandi Land Farm will feature activities such as pick your own pumpkin patch, hayrides, corn pit, farm animal petting zoo, corn maze, food and more. Each activity will be focused on learning about different aspects of agriculture in Kandiyohi and surrounding counties.

For example, the corn pit will be in a high tunnel and feature crops grown in Kandiyohi County such as corn, soybeans, sugar beets and edible beans. Displays throughout will show what each crop looks like, why they are important (including products made from each crop), and facts such as how many acres are planted of the crop. Expected crowds from research is approximately 1,000 people per weekend for 8 weekends. Kandi Land Farm is looking for sponsors to help offset the cost of setting up activities and displays.

Corn maze example from Valley Corn Maize

Example corn pit in a high tunnel at Otter Berry Farm, Perham East Grand Forks.

Benefits to Sponsoring include:

- Logo on signs, brochures, website and social media.
- 4 free tickets per \$500 donation.
